INTRODUCTION

Numerous journals and newsletters contain articles and information on physical education and recreation and related areas for persons with various handicapping conditions. This listing has been developed for use by persons who desire this type of information. Most of the publications may be located through such sources as public or college/university libraries and/or educational index guides. Handicapping conditions which usually are emphasized in each publication are noted; however, additional information on other types of handicapping conditions may also be presented. Notation is also made if the publication is indexed in the information sources which are listed. Contact information for the listed sources follows:
